**INSTANT MATCH®**  
wireless

# DIGITAL WIRELESS innovation

Designed and manufactured in the UK

## INSTANT MATCH® wireless

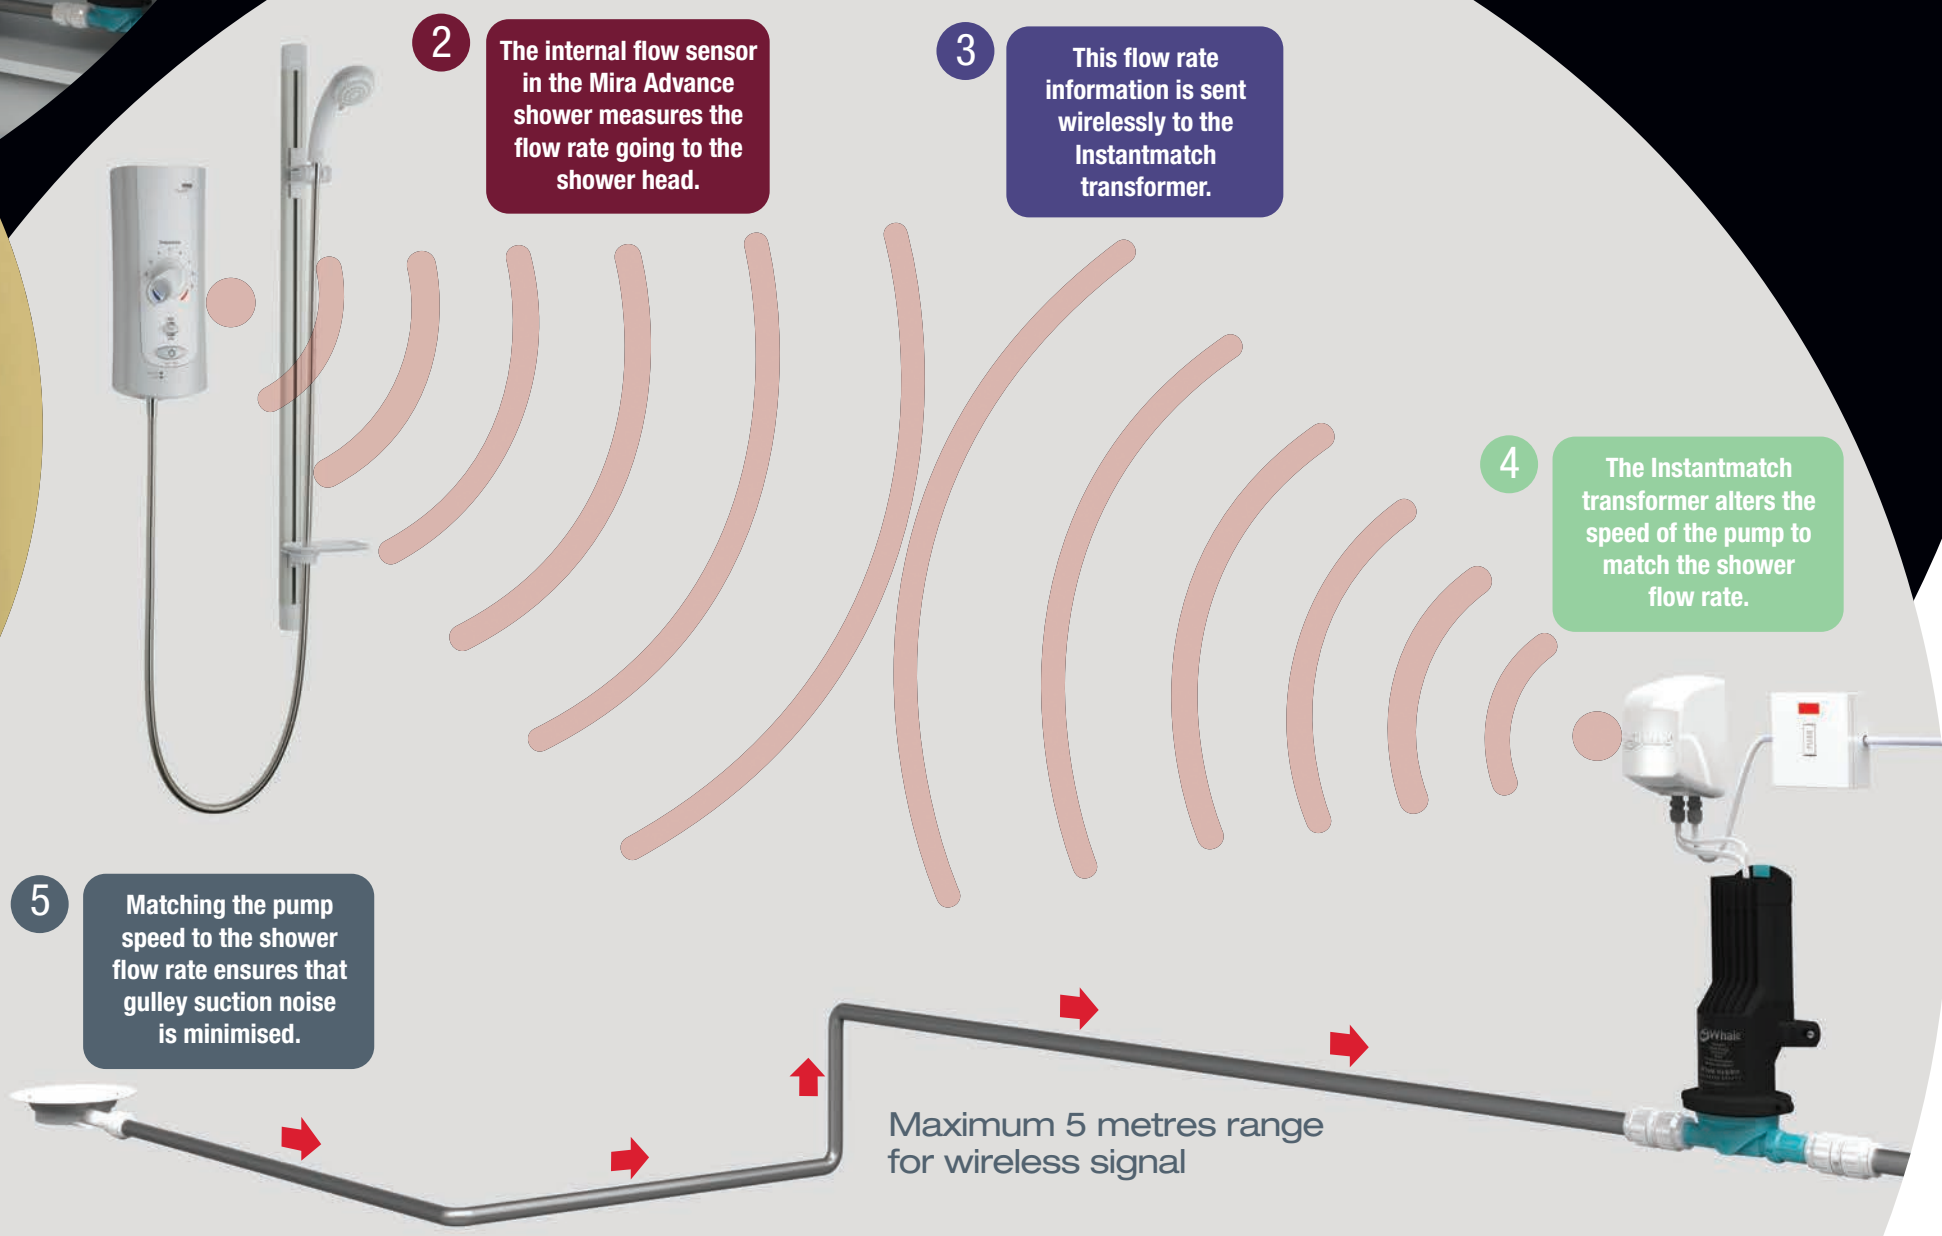

### Key Benefits

- No physical link required between Instant Match and Mira Advance Flex Extra Wireless
- Wireless control
- Shower automatically turns off in the event of power failure to the pump
- Quiet gulley
- Simple pairing of pump with shower

1 The flashing green light indicates successful pairing.

## Active Link

Includes Active Link technology

Whale Instant Match Kit SDP134T

## Active Link

The Instant Match transformer includes patented Active Link diagnostics.

- Test Button power indicator
- Flashing Active Link signal shows communications between the Mira shower and the Whale pump
  - Slow flash (Correct communication)
  - Fast flash (Water flowing)

### Instant Match Approvals

- The Instant Match Kit is CE marked and complies with European standards for:
  - EMC (Electromagnetic Compatibility)
  - LVD (Low Voltage Directive)
- The entire kit is IP45 rated against moisture and particle ingress

### This Instant Match kit SDP134T may be used with the following showers:

- Mira Advance Flex Extra Wireless 9.0kW 1.1643.311
- Mira Advance ATL Flex Extra 9.0kW 1.1643.010 for hard wired connection only
